

# 50W\*80Lmm

<h3>Introduction</h3> <p>1</p>	<h3>Installation</h3> <ol style="list-style-type: none"><li>1. Charge the Deezy with the included micro USB charger for 2 hours.</li><li>2. Gently pull the silver magnetic mouthpiece cap to remove it from the device.</li><li>3. Unscrew the glass mouthpiece.</li><li>4. Grind your herb to a medium consistency, and fill the chamber about 1/2 way.</li><li>5. Screw the mouthpiece back onto the device.</li></ol> <h3>How To Use</h3> <p><b>Power On/Off</b> Press the power button 5 times quickly to turn on/off. The Deezy will vibrate to indicate that your device is turning on/off.</p> <p><b>Temperature Settings</b> The Deezy comes with full range temperature settings from 302°F to 437°F(150°C to 225°C). Click the +/- buttons to choose your temperature setting.</p> <p><b>Heat-up Activation</b></p> <p>2</p>	<p>Once you have selected your desired temperature, hold the power button down for 2 seconds. The device will vibrate to indicate that it has begun to heat up. Wait for the device to reach your desired temperature, then begin to inhale. The device should vibrate to indicate that the desired temperature has been met.</p> <p><b>Warm Period</b> The Deezy will keep the temperate steady for three minutes after it reaches the preset. It will vibrate when this period is over.</p> <p><b>Sleeping Mode</b> The Deezy will enter sleeping mode to save power after 30 seconds.The OLED screen will be off during the sleeping mode. Press any button once to wake up the device.</p> <p><b>Auto Power-off</b> The device will power off automatically for safety purposes after 5 minutes of no operation.</p> <p><b>Fahrenheit and Celsius Switch</b> Press the power button three times quickly to change between "F" and "C".</p> <p><b>Charging Instructions</b></p> <p>3</p>
--------------------------------	---	---

Charging time is about 2 hours. The OLED screen will show "Low Power" when it is low. When the device is connected with charger, the will keep moving and turn solid when it is full.

### Cleaning

Use the cleaning brush to sweep the remaining residue from the chamber. Unscrew the filter from the mouthpiece and clean it with an alcohol swab.

### Warranty

Your purchase of the Deezy includes a lifetime warranty on all its parts. Each Deezy is hand tested in our US warehouse before shipping to ensure quality. Be sure to scratch and scan the QR code located on the box of this device to collect rewards and activate your warranty. This lifetime warranty applies to customers within the United States only. Please contact us directly at support@thekindpen.com if you are outside of the US.
