

**Warranty**

Your purchase of the HIGHkey includes a lifetime warranty on all its parts. Yes, you read it right. We are confident that the HIGHkey is the only vape battery you will ever need. If ever any part becomes defective, we will replace it only for the cost of shipping and handling.

Each HIGHkey is hand tested in our US warehouse before shipping to ensure quality. We want our customers to be fully satisfied with their purchases. If it ever fails to do its job, then we will replace it. It is that simple.

**Be sure to scratch and scan tag located on box to collect rewards and activate your warranty.**

This lifetime warranty applies to customers within the United States of America only. please check back if you are outside of the USA.

HIGHkey

**User Manual**

**How to use**

**1. Power On/Off**  
Press the power button 5 times in a rapid succession to turn on/off, the LED light will flash 5 times.

**2. Preheat**  
Turn on the device and press the power button two times rapidly for a 15 seconds preheat (2.0V). Press the button once to stop. In the preheat mode, the LED light will turn red-green-blue.

**3. Variable Voltage**
